D. Comments

26. Please provide any additional information concerning training for overseas deployments or assignments of FBI personnel you believe is relevant.

Give the personnel a say in which locations they could be assigned. If I had been given a choice, I would not have chosen to go to Camp Anaconda where interrogations were conducted 24 hours a day. I would have chosen Baghdad or Doha instead. The deployment worked out well anyway, but if given the choice, people usually choose what is best for their temperament.
