

MEMORANDUM

Date: August 17, 2010
To: B FACILITY STAFF AND INMATES
From: California State Prison-Sacramento - Represa, Ca. 95671
Subject: B-FACILITY PROGRAM STATUS

*On January 19, 2010, a Racial Riot occurred in the B-Facility Pedestrian Sally Port area between Black disruptive groups and Southern Hispanics, utilizing weapons, resulting in two inmates being transported to an outside hospital. All General Population inmates identified as Blacks, Southern Hispanics, Mexican Nationals (Paisa), and their cell mates, were placed on a Modified Program.

*On June 14, 2010, a categorized release of three Mexican National inmates and three Black Non-Affiliated inmates to the Main Yard occurred. The three Mexican National inmates attacked the Black Non-Affiliated inmates utilizing fists and a walking cane. Based on this incident occurring, all Mexican National and Black Non-Affiliated inmates resumed Modified Program.

*On July 17, 2010, a Southern Hispanic was released from his cell and attacked a Black inmate using physical force, in B Facility, 1 Block, during the evening shower program. Both inmates engaged in a fight where staff used force to bring the incident under control. Both inmates were re-housed in Administrative Segregation.

*On July 21, 2010, during an effort to resume normal yard program with Modified Program inmates, via a categorized release, a Riot occurred amongst three Black and three Hispanic inmates in front of B6 Block. All Hispanic and Black inmates who were categorized for release, were returned to the Modified Program with all other Black and Hispanic inmates.

*On August 17, 2010, during an effort to resume normal yard program with Modified Program inmates, via a categorized release, a Riot occurred amongst three Black and two Hispanic inmates where weapons were used by both groups. This incident resulted in one Black inmate sustaining puncture wounds, requiring being transported to an outside Hospital. The two involved Hispanics sustained injuries up to and including possible puncture wounds and scratches. All involved will be re-housed in Administrative Segregation. All categorized inmates will be returned to Modified Program with all other Black and Hispanic inmates. As a result of these incidents, Administrative Staff will continue reviews of the Modified Program weekly.

*EOP Level IV Inmates are on normal program.

*General Population Yard will occur Wednesday thru Sunday.

*All inmates identified as White, Asian, and American Indians are on Normal Program.

Feeding: Normal cell feeding procedures for all Inmates.

Escorts: All Black and Hispanic Modified Program inmates will be un-restrained and escorted from the housing unit. Modified Program inmates can be escorted (2 custody staff to 3 Inmates). Black Modified Inmates can be escorted in the Clinic one on one during Enhanced Outpatient Program (EOP) Clinic Hours. No Southern Hispanics or Black Inmates are to be integrated during escorts or while in the Clinic. All Modified Program Inmates in the Sally Port not being seen will be locked in the holding tank or appropriate hold cell (Not un-attended). Should there be a need for Hispanics and Blacks to be in the clinic at the same time (i.e. specialty clinics or Dental), it will be the responsibility of Health Care Access and Clinic Security staff to secure all Blacks and

Hispanics in the clinic in restraints and leg irons, ensure all inmates are escorted 1 on 1, and that the Facility Lieutenant is notified of the circumstances.

Work/Education: Inmates on Modified Program assigned to education classes are authorized in cell study. Education for inmates on Modified Program will be conducted at cell side. No work for Modified Program Inmates. Normal for all other inmates.

Yard: All Black and Hispanic inmates will continue to be afforded out of cell exercise on the Concrete Yards according to the appropriate schedule. The schedule is necessary in order to provide an equal amount of yard time per Modified Program inmate. This schedule is further necessary in keeping the number of inmates on each yard as minimal as possible with the security resources currently available. These Modified Program inmates will be released from their cell (un-restrained), given clothed body searches, and scanned with the handheld metal detectors. Inmates may bring a sack lunch, recreational items (chess, dominoes), and clothing normally allowable to the main yard. A Supervisor and staff determined to be sufficient by that Supervisor will be present during all Modified Yard releases. All Black and Hispanic inmates will be given clothed body searches coming off the concrete yard to ensure no contraband is taken from the yard to their cell.

Showers: **CONTROLLED SHOWERS:**
All Black and Hispanic inmates will continue to occur on 3rd Watch utilizing the schedule below. All unit section, cell, and pass thru section doors will remain locked and secured during shower program. Black and Hispanic inmates will not be required to be in restraints during the shower program. The Control Booth Officer shall release only one cell at a time per section. No other inmates are to be in the section while controlled showers are being completed. For example: Workers, Porters, Etc.
