

Public Safety Department

03/25/02

DEAR SIRs;

I APPRECIATE THE CHANCE TO EVALUATE YOUR M-26 TASER. IT PERFORMED EXACTLY AS YOU ADVERTISED. WE CONDUCTED A DEMONSTRATION FOR OUR ADMINISTRATION AND INVITED SURROUNDING AGENCIES. I WAS VERY SKEPTICAL ABOUT THE CLAIMS THE ACCOMPANYING INFORMATION MADE. WE HAVE TESTED STUN GUNS AND SEVERAL TYPES OF SPRAYS. NONE OF THESE WERE INCAPACITATING, BUT YOUR PRODUCT DEFINITELY WAS. I WAS THE "TEST SUBJECT" AND AM NOW A BELIEVER IN YOUR TASER. I WAS IMMEDIATELY AND TOTALLY UNABLE TO DO ANYTHING BUT FALL OVER. AS SOON AS THE PULSES STOPPED I WAS FULLY RECOVERED EXCEPT FOR SLIGHT TINGLING AT BOTH OF THE CONTACT SITES.

I AM CURRENTLY TRYING TO CONVINCe THE ADMINISTRATION TO FUND THE PURCHASE OF SEVERAL OF THESE UNITS. AS OF YET THEY HAVE NOT APPROVED THE FUNDS. I AM RETURNING THE T&E KIT YOU SENT INCLUDING THE SPENT CARTRIDGE FROM OUR DEMO. I HOPE TO BE ABLE TO PLACE AN ORDER AFTER THE NEW FISCAL YEAR STARTS. AGAIN THANK YOU FOR LETTING US TRY YOUR PRODUCT.

SINCERELY,

A handwritten signature in black ink, appearing to read "Stephen Nicholson". The signature is written in a cursive style with some loops and flourishes.

LT. STEPHEN NICHOLSON
